

Sea Tow Foundation

1402.19- Life Jacket Loaner Program

\$120,000

The Sea Tow Foundation will be continuing their successful life jacket loaner program that has been steadily growing over the last six years and currently includes 216 life jacket loaner stands throughout the U.S. which have provided over 22,000 life jackets to recreational boaters in free loaner programs around the country. The Sea Tow Foundation is also launching a nationwide Life Jacket Drive program to collect new and gently used life jackets from boaters that no longer need them or have outgrown them, thus extending the life of the existing Life Jacket Loaner Stands.
